RE: NANC Local Number Portability Administration Working Group Report
on Best Practices on Porting "Projects"

Dear Ms. Gillett:

This is to advise the Federal Communications Commission that the North American Numbering Council ("NANC"), at its May 17, 2011 meeting, unanimously concurred with the recommendations of the Local Number Portability Administration Working Group to submit the attached Report on Best Practice on Porting "Projects" with a request that the Best Practice #67 and the Local Number Portability Provisioning Flows be approved by the Wireline Competition Bureau.

Please feel free to contact me or the Local Number Portability Administration Working Group Tri-Chairs: Gary Sacra, Verizon Communications (gary.m.sacra@verizon.com), Paula Jordan, T-Mobile USA (paula.jordan@T-Mobile.com), and Laura Peterman, One Communications (lpeterman@onecommunications.com), if you or members of your staff have any questions regarding this NANC recommendation.

Sincerely,

A handwritten signature in black ink, appearing to read "Betty Ann Kane".
